WHAT IS RONCALLI?

Sometimes I think of the past few years
And always do my eyes fill with tears.
The friends I've made to never forget
And my future life has now been set

The funny times, laughs, and smiles
Make sad times into miles.
These miles build our path

The mountains climbed and hills walked on
Footprints followed and retraced.
Making this school our land from dusk to dawn
And now it is a kingdom that we have to face.

Growing up in Catholic schools
Has many restrictions and rules. But never will I regret those things
Because that is why my heart still sings.

If fate kept us seniors together
Then destiny won't keep us apart.
Because all our memories we treasure
Will be locked away safe in our hearts.

Cindi Goodwin

It seems like just yesterday that I walked through these doors for the first time. Through these four years, we have made many new friends and have become a special kind of family. The unity of our class will remain for long after we walk through these doors for the last time.

Tom Naughton

It is time to go our separate ways. The class of '85 has always looked forward to Senior year, but now that it has arrived, it's hard to believe that it is almost time to leave what has been an important part of our lives. It's impossible to name all of the good times we've had here. When we came here as Freshmen we were afraid and shy. But the past four years have taught us to be honest and open about our feelings. Now it is time to say goodbye and start all over again. I will never forget all the friends I have made and the teachers who have helped me become a better person.

Sharon Broering

It's hard to believe that I will be leaving Roncalli. Roncalli is a special school with dedicated teachers and good friends that have been instrumental in my growth as a person. I will never forget Roncalli, for it is a super school. Not only have I received a good education, I have friendships and memories that will last forever. I am saddened to see my days as a Rebel end yet I will fondly remember my days at Roncalli.

Phil Ferro

SENIOR REFLECTIONS

Roncalli was a challenge that I will never regret taking. I was entering a new world with new people. Family was our theme and it has stuck with me through the years. When I came to Roncalli, I did not think people would accept me. I was wrong. The spirit of family was in all of the Rebels. Now the family I entered with is all grown up and moving on. I am so proud to be a part of this family that is living in our hearts. We might someday be on different sides of the world, but the memories we shared will be cherished forever.

Karen Dodson

My four years at Roncalli have been the best times of my life. As a freshman I can remember being terrified to enter high school and making friends. The way our class has come together these past few years, however, is going to make graduating very difficult. I hope I can always stay in touch with the special friends I have made here, as part of the Roncalli family.

Chuck Roach

As I look back on our four years here at Roncalli, I see the fond memories of a class that has grown together as one. With the excitement of graduation approaching, I pray the Senior class of 1985 will always keep the spirit of Roncalli glowing. I believe that even after the future has swept us away, we will always be able to look back and know inside our hearts there will always be just a little Roncalli.

Mary Feltz

As the excitement is building for graduation, I can't help but feel some sadness. The friends I have made can never be forgotten, yet once we leave the doors for the last time it is quite possible I will never see most of my classmates again. However, I am very thankful for, and will never forget my experiences at Roncalli. I will leave part of me behind. I will always remember the people that made up Roncalli High School.

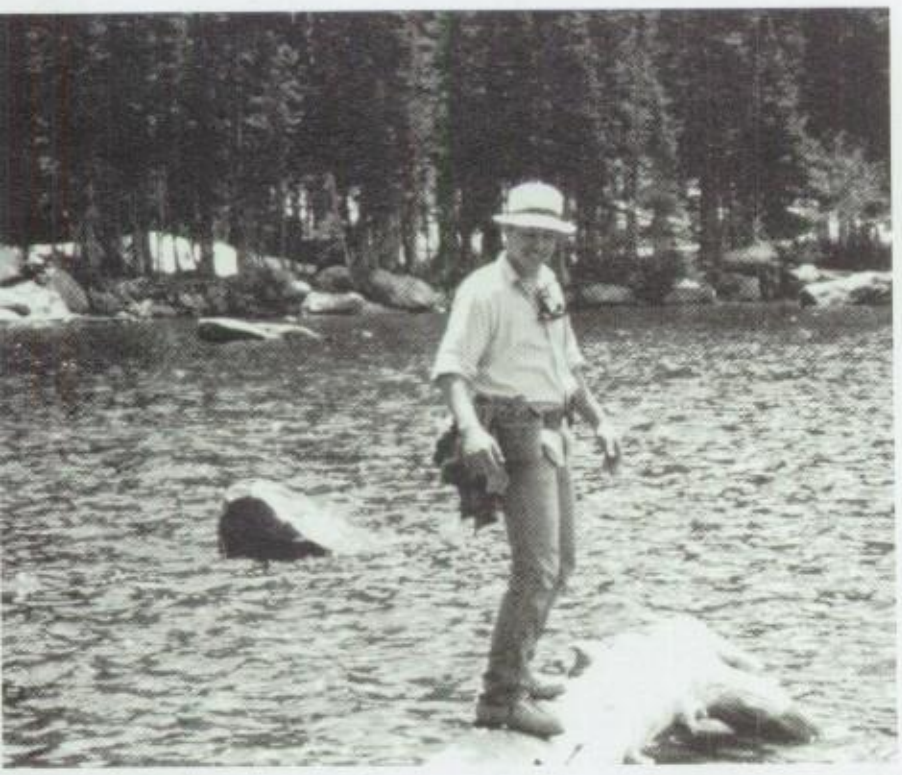
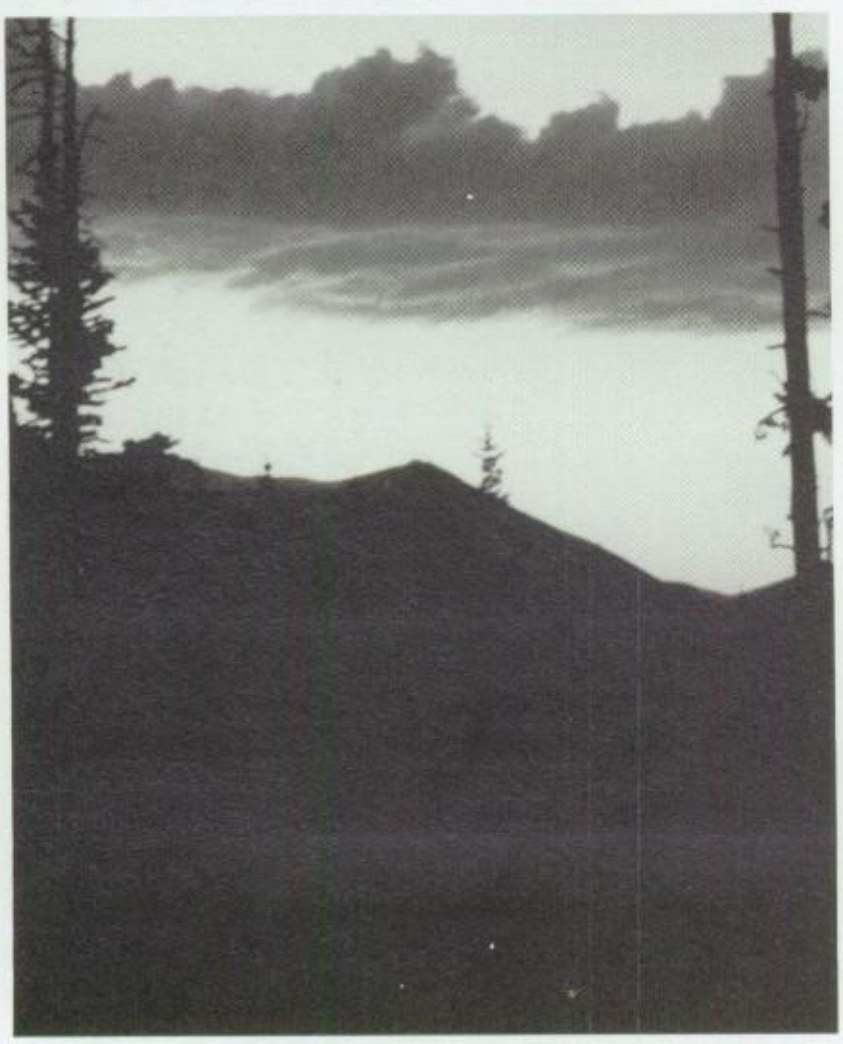
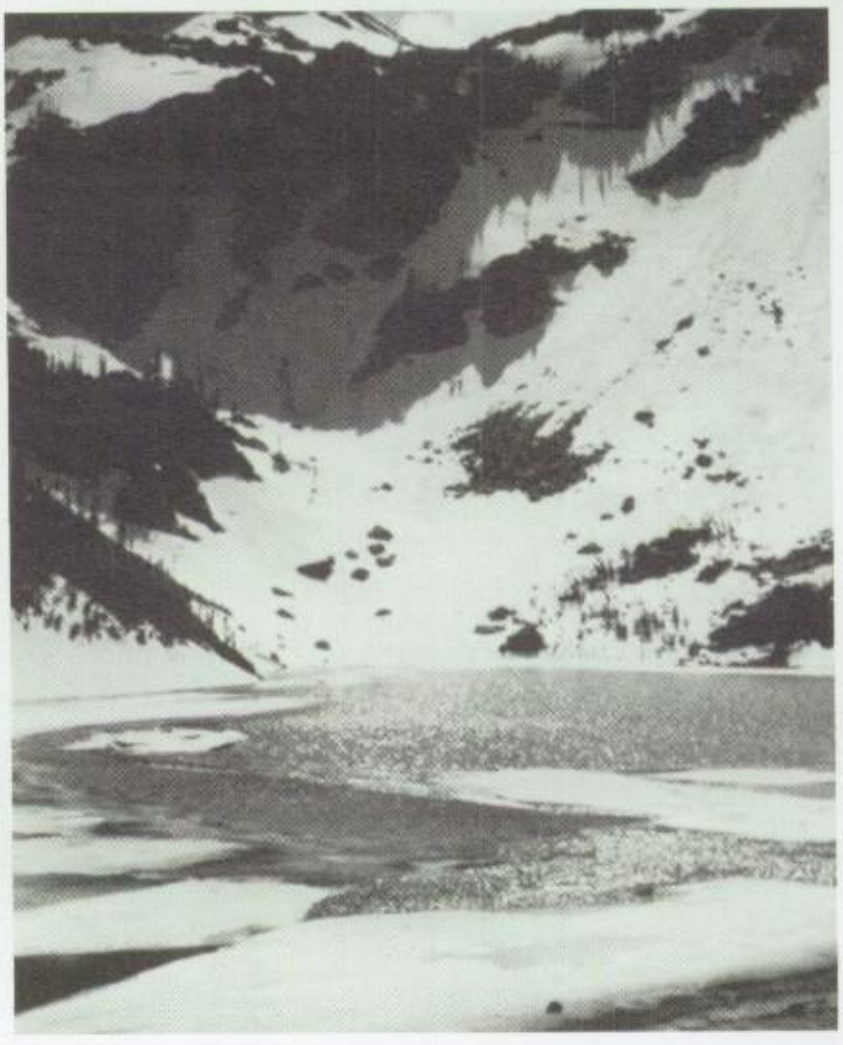
SUMMER FIELD STUDIES GROUP GOES TO THE ROCKIES

This year, the Summer Field Studies program had a tremendous amount of participation as nearly forty students traveled to Rocky Mountain National Park in Colorado. It was a fun as well as a learning experience for all. Without the help of Mr. Hollowell, Miss Sachs, Mr. and Mrs. Schott, and Miss Peoni, this trip would not have been possible.







RONCALLI FAVORITES

Once again this year, the yearbook staff took a survey of your favorites in all of the following categories. Some won by a landslide; others were closer. All in all, the final results show that the Roncalli students have excellent taste!

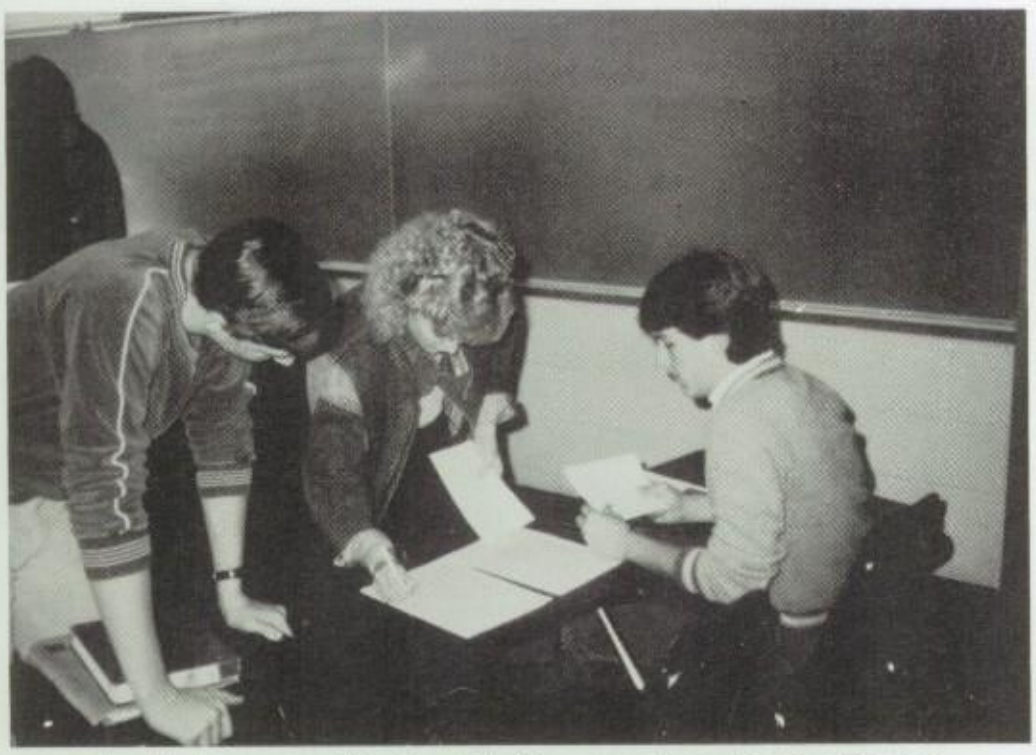
With the help of Mrs. Riehle and Mrs. Jerrell, Roncalli obtained a chapter of the National Honor Society this year. The first members were inducted into the organization at a solemn ceremony on December 9. In its first few months, the National Honor Society organized a computer dating service, a tutoring service, and a Beach Party dance. On April 3, 42 more students were inducted. Mr. Hollowell and Mrs. Damon, pictured at left, were also inducted as honorary members of the National Honor Society.

MOCK TRIAL

This year's government classes participated in mock trials. Students took on the roles of prosecutor, judge, defendant, jury and bailiff.

MOCK

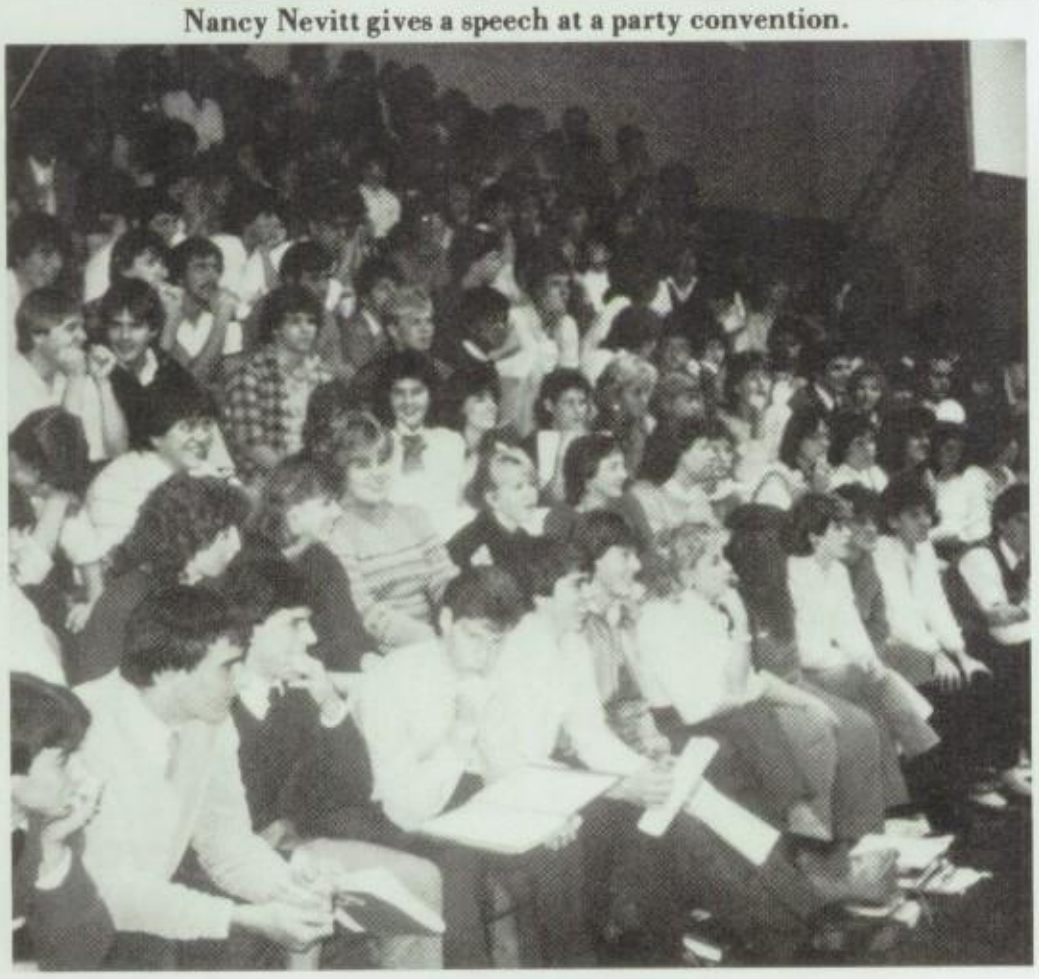


Joe Hoffmann and Heather Graffis get registered by Joe Barrett.

The Mock Election was held during the 1984 Presidential Election. This Presidential Election added a realistic view to the Mock Election. Mrs. Jerrell headed the election and was assisted by the Social Studies teachers. Some new ideas were incorporated into the election — Primary Conventions for both parties to select and represent their candidates and a debate between Presidential candidates.

Nancy Nevitt gives a speech at a party convention.

Mark Maloney tells of his plans if he is elected president.

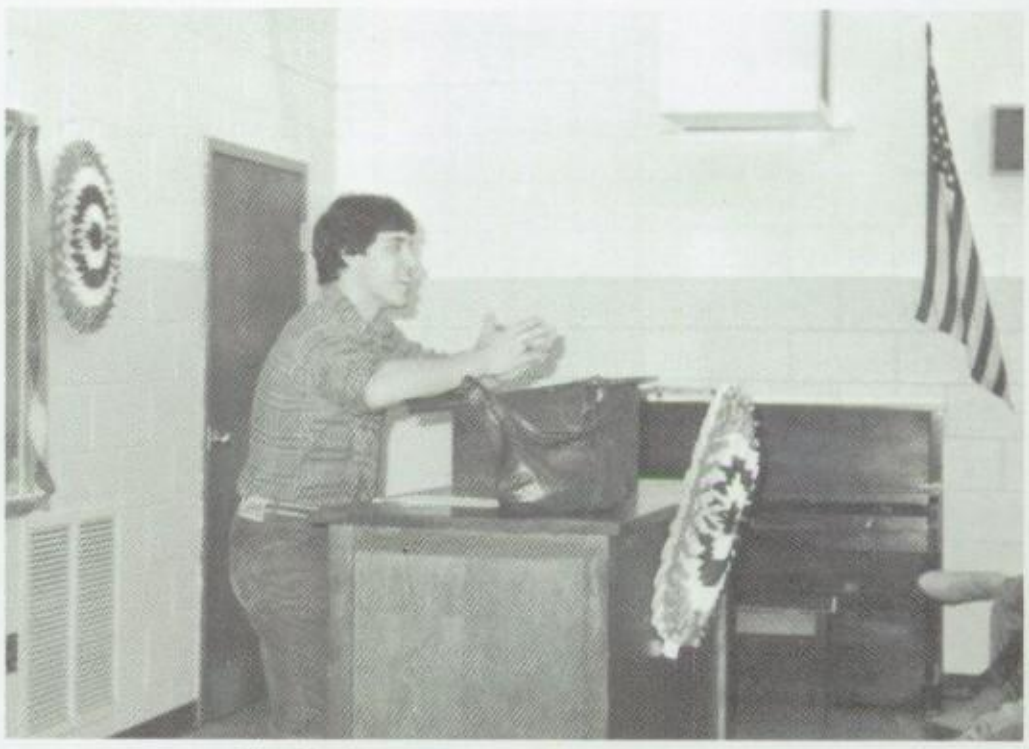


Students listen at the debate.

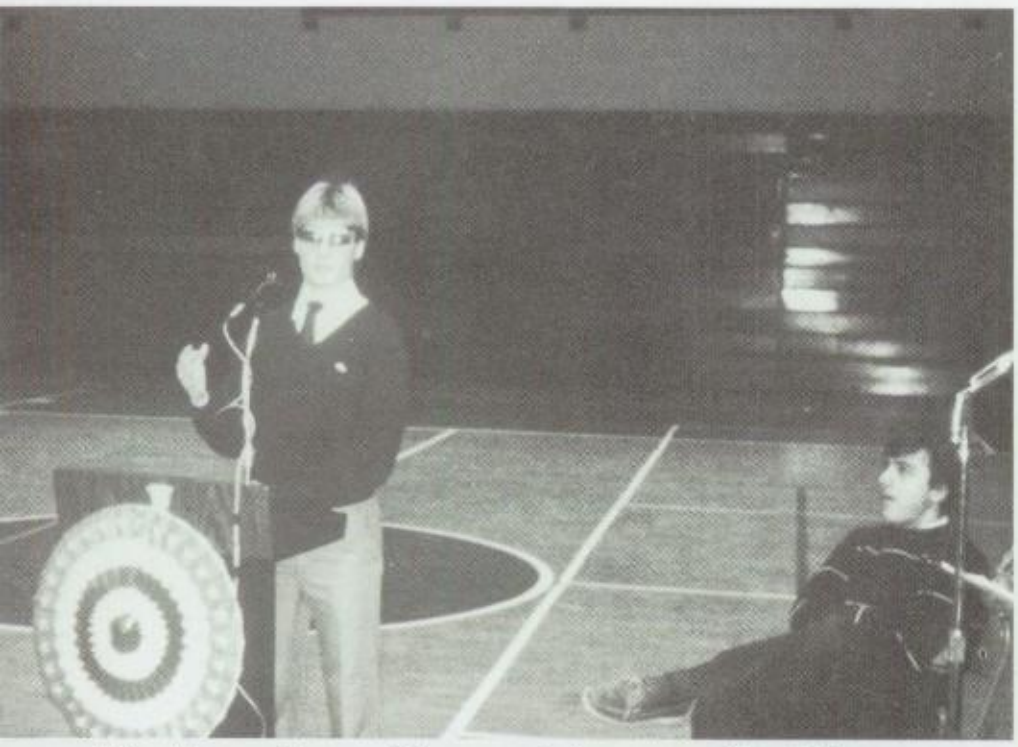
Kelly Campbell and Kris Kesterson register to become voters.

ELECTION

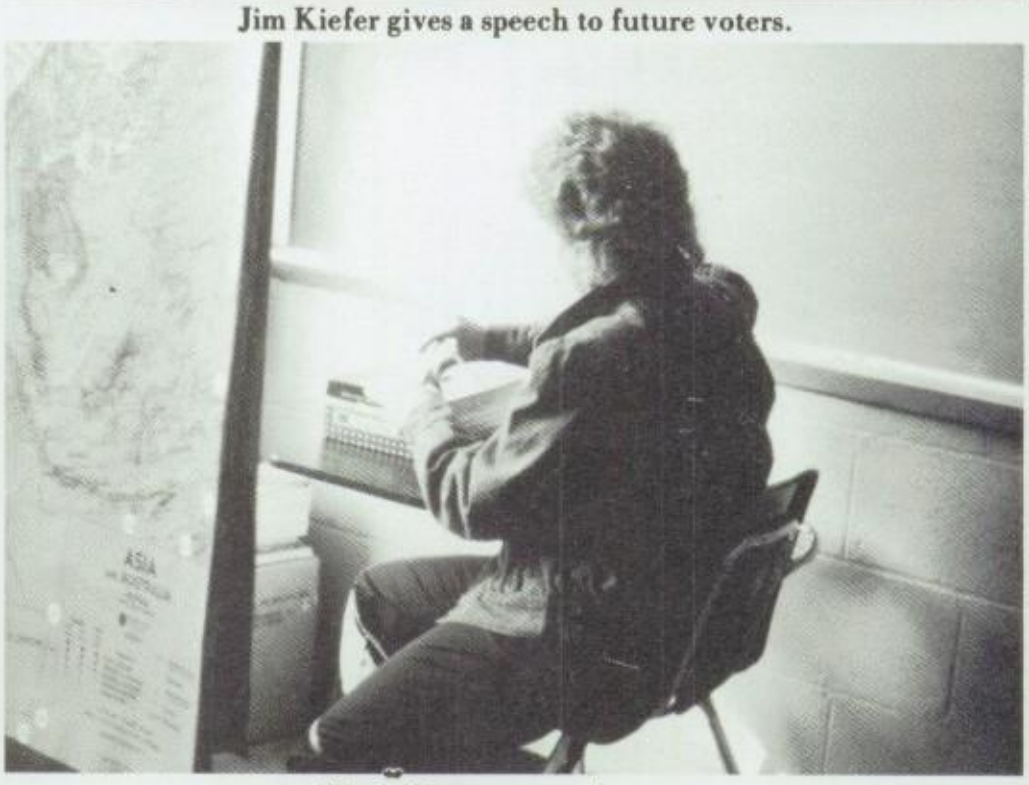
The winners of the election were: Mark Maloney and Cindi Goodwin — Presidential team for the Federalist Party, and Brian Hogan — Congressmen for the Federalist Party. Other students who participated were Mike Meyers and Mike Murphy — Nationalist Presidential team, Angie Melvin, Mike Gentille, and David Page — Federalist Congress nominees. Kevin Fife, Tim Mullin, Andy Herbertz, and Andy Starks — Nationalist Congress nominees.



Jim Kiefer gives a speech to future voters.

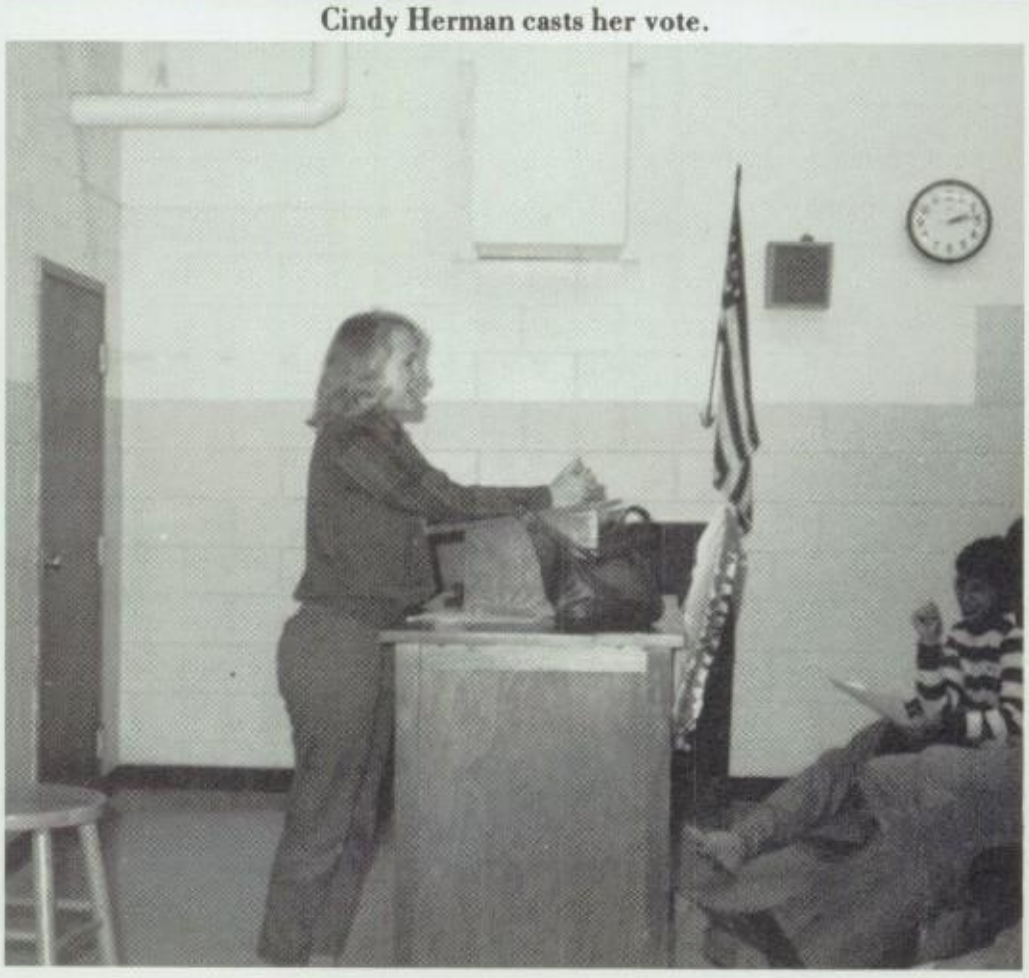


Mike Meyers discusses his personal views on presidential issues.



Cindy Herman casts her vote.

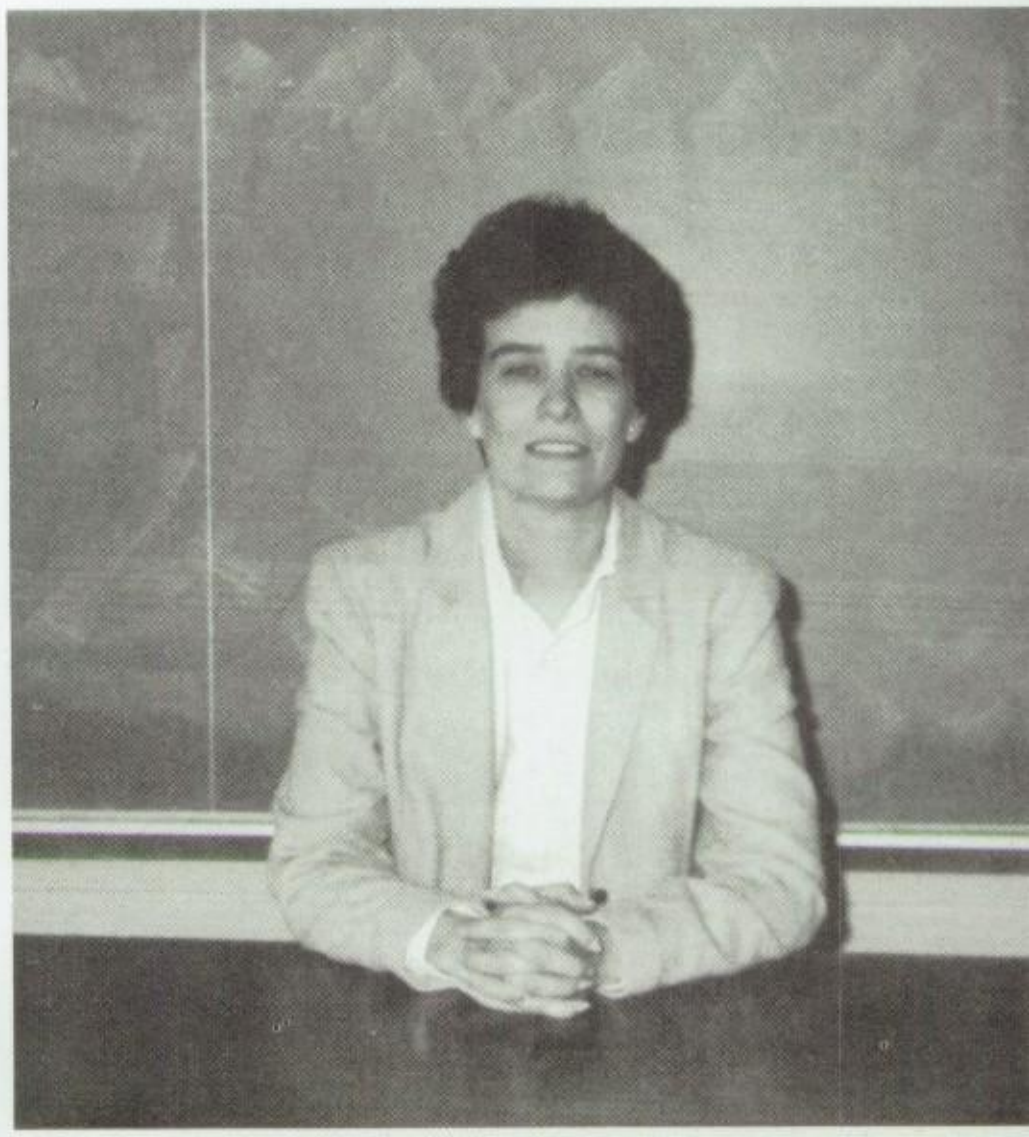
Greg Schoettle and Lee Anne Soika were two of the reporters at the debate.



Julie Hagedorn speaks at a primary convention.

A TIP OF MRS. JERRELL

Mrs. Jerrell has taught at Roncalli for four years. Before teaching at Roncalli, Mrs. Jerrell attended Purdue University where she received her B.A. and received her M.A. from Butler University. Mrs. Jerrell has taught History, Government, World Cultures, and Current Events. She has been involved in the Brain Game and was instrumental in organizing a chapter of the National Honor Society. Mrs. Jerrell has also conducted the mock election and trials among her students. Her dedication towards teaching certainly deserves a tip of the hat.



THE HAT TO MRS. DAMON

Mrs. Damon has taught at Roncalli for 8 years. Before teaching at Roncalli, Mrs. Damon attended DePauw University where she received her B.A. and later attended the University of Miami, Ohio where she received her M.A. Mrs. Damon has taught U.S. History and World History. She has been involved with the prom, served as the Social Studies Department Head and this year, held a Renaissance Festival — complete with a Medieval feast, a sword fight among knights, and a fashion show. The National Honor Society named Mrs. Damon an honorary member. Her dedication towards teaching certainly deserves a tip of the hat.

RENAISSANCE DAY

Tom Egold was crowned the King of the day's festivities.

The Group of Creative Anachronism joined us and portrayed the fights that took place in medieval time. Thanks to everyone, especially Mike Wiley, for performing for us.

These are a few of the people who took part in Renaissance Day. (Left-Right) Jeff Stumpp, Chris Arkins, Jenny Davis, Eric Thornbury, Mr Damon, Group of Creative Anachronism, Matt Dollar.
